Norwich Classic Vehicle Club are very proud to announce that the 2017 show saw them achieve their aim of providing an incubator for the Special Care Baby Unit at the Norfolk and Norwich University Hospital. It has taken 5 years to achieve their goal and the Club are so very grateful to everyone who made this possible. Members have yet to choose their choice of charity for 2018.

Why not come along this year and see the magnificent display of classic vehicles and craft stalls. There will be food and drink outlets too. A wonderful Family Day out.
